**Connecticut Chapter of the American College of Surgeon's
Professional Association CtSQC Meeting
April 5, 2016**

- I. Opening Remarks
Philip Corvo opened the meeting
- II. NSQIP Meeting
An update on the Collaborative efforts at the NSQIP National meeting were highlighted and reviewed.
- III. CHA SSI Survey Results
CHA SSI Survey Results were presented by Alison Hong. Results were from the survey taken in January that coincided with the SSI meeting where Patch Dellinger presented information regarding SSIs and efforts made to make an impact.
- IV. ERAS Updates
Christine Spencer from L+M presented an update on Nutricia, the carbohydrate drink that L+M is considering for part of the ERAS protocol.
- V. Nose to Toes
A survey of Hospitals currently involved, or wanted to be involved in the Nose to Toes Protocol for ERAS and SUSP SSI prevention was taken. Further information will follow.
- VI. www.CtSQC.org
A survey of elements that the collaborative would like to see in our website revisions was asked of the attendees. More updates to follow.
- VII. Closing Remarks and Questions
Philip Corvo closed the meeting after taking Questions.
